## NICOLE BURBANK EVENTS

What I love most about weddings is curating a personalized day of moments... that balance and flow of sweet sentimental moments as well as downright fun moments, every bit as meaningful as the last and all in the spirit of love, joy and connection.

## GIVING BACK - WEDDINGS FOR A CAUSE

As part of my initiative to pay it forward, 5% of profits are donated to charitable organizations.

## NICOLE BURBANK MAJORS

Born and raised in San Diego, I grew up loving the great outdoors and all things vintage. I enjoy camping, hiking, dancing, traveling, good food, wine, and jams in good company. I like kind people, skipping small talk, and being silly. I am a good listener and hostess, and don't take myself too seriously. I am inspired by everything in nature... color, shape, texture, spirit. I love love and art... this is my dream job.
